Re: United States v. Luigi Alexander Hierro-Belen, a/k/a "Menor,"
S1 21 Cr. 161 (CM)

Colleen McMahon

Dear Judge McMahon:

A status conference is scheduled in the above-captioned matter for May 10, 2022. The Government writes respectfully to request an adjournment of the conference for approximately 30 days. The Government and defense counsel have been engaged in productive discussions regarding possible pretrial resolution. Those negotiations have progressed and the parties hope to reach an agreement promptly. However, the negotiations have been delayed in part by health issues of defense counsel. The adjournment is requested to permit parties additional time for the Government and defense counsel for defendant Hierro-Belen to continue discussions and for defense counsel to advise the defendant regarding possible pretrial disposition.

In the event that the Court grants the requested adjournment, the Government respectfully requests that the Court exclude time under the Speedy Trial Act, from May 10, 2022 until such date as the conference is rescheduled for the reasons stated above. The Government submits that the ends of justice served by the continuance outweigh the best interests of the public and the defendants in a speedy trial. See 18 U.S.C. § 3161(h)(7)(A).
